EDUCATION

BE. (Hons.) Chemical Engineering,
BITS Pilani – K. K. Birla Goa Campus, 2012 – 2015

EXPERIENCE

Product Designer and Developer

ClearTax.in, Bangalore, India (Feb, 2017 – August, 2018)

ClearTax is the first Y-Combinator funded Fin-Tech platform based out of India, that provides solutions for Income Tax Filing, Goods & Service Tax & Mutual Fund Investments – at scale. I worked extensively on the Invoicing Product, Service Marketplace, Investment Product & its integrations and the Design Language System during my time. The products are used by 2.1 million users, 65,000 SMEs, 6000 Accountants & 450 enterprises across India.

UX Designer

Nestaway.com, Bangalore, India (May, 2016 - Jan, 2017)

Worked closely with the Product & Development Teams of Web, iOS & Android Applications as a UX Designer team of one.

UX Design Consultant

Trestor.org, Chandigarh, India (May, 2016 - Jan, 2017)

Designed a complete design framework for the brand. Also built the React.js based UI for one of their applications.

Product Designer

Hummingbill, Bangalore, India (January, 2014 - December 2015)

Worked as the product designer & front-end developer for the web application, the chrome extension and their complete branding.

Product Design Intern

Housing.com, Mumbai, India (May, 2014 – July 2014)

Worked on standardizing emails, micro-sites, interactive brand placements and brand surfacing modules. Also worked on their first version of Material Design based android application.

Contract Front-End Developer

boyomo.co, remote (August, 2013 – November 2014)

Contributed to the Angular1 based SPA for a logistics start-up based out of Sunnyvale, California, USA

UNDERGRADUATE STUDY PROJECTS

- Resource Allocation Tool based on Angular.js & Ruby on Rails

- Interface for measuring the level of corrosion based damage in parts of a ship via Sonar

POSITIONS OF REPONSIBILITY

Instructor In-Charge

Introduction to Web Design Course,
BITS Pilani, K. K. Birla Goa Campus,
(2014 – 2015)

Chief Designer

Department of Creative Media,
BITS Pilani, K. K. Birla Goa Campus,
(2014 – 2015)

EXTRA CURRICULAR

Volunteer

Rural Co-operation Society (NGO),
Datia, Madhya Pradesh, India
(March 2018 - Present)

The organisation helps underprivileged people from lower social & economic background get better at accessing & utilising scientific knowledge & technology to their benefit. I am helping the organisation in building an information organisation, access and communication tool in my spare time.
